

JASON C. YAGER

Chief Finance and Administrative Officer

As Chief Finance and Administrative Officer, Jason oversees the Shared Services division of GTM which includes Finance, Human Resources, and Information Technology. A primary focus of his role is the development, implementation, and monitoring of operational controls, policies, and procedures related to these functions, as well as assisting in charting the strategic direction of GTM firm-wide.

Prior to joining GTM, Jason served as Director of Practice Operations at KPMG LLP for their Global Mobility Services US Tax Practice. In this role, he managed the day-to-day financial and administrative operations of the practice and led several successful operational efficiency initiatives designed to drive revenue growth and improve operating margin. Prior to KPMG, Jason served as Vice President for JP Morgan Chase in both Asset Management and Shared Services, and also worked in a client service capacity for both EisnerAmper and Deloitte.

By specializing in finance and business strategy throughout his career, Jason has built a strong background in project management, risk management, and operations. He is also a certified Project Management Professional (PMP).

Jason resides in New Hope, PA and enjoys spending his free time with his family, checking out the many local activities in their river town. He also plays golf whenever possible.

DESIGNATION: Project Management Professional® (PMP)

EDUCATION: B.S. in Finance from The College of New Jersey
M.B.A from Rutgers University

“ *GTM’s continued growth has prompted the need to expand the internal capabilities of the firm in response to ever-increasing business demands. My mission is to structure GTM’s operations, facilities, governance model, technology platforms, and internal business services to best support the firm’s employees and clients.* ”
